Fyi. I have rec'd calls from 2 reporters at WyoFile (<http://wyofile.com/>)

1.) our response to the Tribes claim they weren't consulted on the Pavillion investigation decision and

2.) why EPA has decided to not have our draft report peer-reviewed.

First reporter is Ron Feemster, who I understand has contacted Molly. Second, is Dustin Bleizeffer, phone 307-267-3327.
